| <b>Description</b>  |                                       |
| Game Name?  |                                       |
| Tony Hawk Pro Skater 3 - GT3E52<br>Tony Hawk Pro Skater 4 - GT4E52  |                                       |
| What's the problem? Describe what went wrong in few words.  |                                       |
| When in a stage past the time for one song, or even in the main menu, it won't load the next song. Happens on OpenAL as well as all the other audio backends.   |                                       |
| What did you expect to happen instead?  |                                       |
| The next song to play.  |                                       |
| What steps will reproduce the problem?<br>[Don't assume we have ever played the game and know any level names. Be as specific as possible.]   |                                       |
| <ol style="list-style-type: none"><li>1. Load game past 4.0-1970.</li><li>2. play free skate in either game. Career mode also works in 4; in 3 it ends the session before the song ends.</li><li>3. Wait for song to end.</li></ol> |                                       |
| Dolphin 3.5 and 3.5-367 are old versions of Dolphin that have known issues and bugs, so don't report issues about them and test the latest Dolphin version first.   |                                       |
| Which versions of Dolphin did you test on?  |                                       |
| 4.0-1981, 4.0-1970, 4.0-1963  |                                       |
| Does using an older version of Dolphin solve your issue? If yes, which versions of Dolphin used to work?  |                                       |
| 4.0-1963  |                                       |
| What are your PC specifications? (including, but not limited to: Operating System, CPU and GPU)   |                                       |
| Core i5 3570K, GTX 760, Radeon HD5850, Windows 7 x64  |                                       |
| <a href="http://pastie.org/9352258">http://pastie.org/9352258</a> for logs of a free skate with Tony Hawk Pro Skater 3  |                                       |
